B2B Meetings between potential Partners

Welcome : Review of arrangements for B2B Meetings for the day

Presentations : Review of first day presentations and setting the scene for B2B meetings.

B2B Conference : This conference will have the express aim of introducing Africa House clients and other attendees from across the globe to potential local partners and/or service providers in Tanzania and Uganda, focussing on the participation of established businesses that are in Uganda and Tanzania. Africa House will schedule one-on-one virtual business meetings between international firms (not from Uganda and Tanzania) and established Ugandan and Tanzanian business owners, contractors, industrialists, importers, distributors, agents, and business service providers. Should there be enough participants and additional day will be allocated for B2B Meetings.

Africa House has more than 20 years' experience in matchmaking and setting up of B2B meetings.
